# WILLIAM LINVILLE, UNIVERSALIS INC. CLIENT INTAKE FORM & AGREEMENT

First off, Will is not a fortune teller. When William is asked a question he instantly tunes into your higher levels and the higher levels of those involved and he will share with you what your higher levels are presenting for you. What he is sharing with you is the opportunities that are there for you. It is now up to you to walk through the openings your higher levels are presenting for you and let the divine alignments come into place for you to enjoy, expand and step into all of you and let your life-stream open as well as the body rebuild and come into it's optimum health and well-being in every way.

Where dear ones get off their 'higher level' track is when the mind / ego levels get involved which can and will direct a dear one in different directions which will result in different outcomes, timeframes, conflicts etc...
